## *Parent Volunteer Time Tracking Form*

**SKATER NAME_____**

Anytime volunteer hours have been completed, please fill in this sheet. You are required to volunteer 10 hours (at $10 per hour) throughout the season for each skater registered. In March following the Carnival and Wind-Up, parents must submit this form to the Club Treasurer or President. **Please note: this is the individual responsibility of each skater/parent. If this form is not submitted, your volunteer check may be cashed. There will be extra sheets available on the web site or from the Volunteer Coordinator.
