

## Updates for October and November

Hello Skating Families,

We have settled into our 20/21 skating season! We are still requiring volunteers for signing in the skaters and to complete a wipe down of surfaces the skaters are using in the arena area. The volunteer sign up sheets for the month of November will be emailed out soon. Hopefully families are becoming more comfortable with the screening process and are able to help with the COVID screening.

Our skating club has started its first fundraiser of the year with a coffee sale from Crowsnest Coffee please ask any one of the board members if you have not received an order form. The coffee goes great with an early Sunday morning skate!! Order forms are due back no later the November 15th.

Families will be getting their 50/50 tickets in the up coming week. Parents/Guardians will be asked to sign a form to acknowledge getting the tickets.

For October we will be having a fun dress up night for Halloween on October 28th, if your child would like to wear a costume to skating please make sure they are still able to move freely and no costume "parts" will hinder their skating. (Can see out of masks, will not trip on material.)

Also, in November we will doing a bottle drive. Once again we will require volunteers to help. With Covid-19 we will be asking people to prearrange a pickup on that day. This is a good time to start reminding friends and family for their donation of bottles and cans! For the full month of November anyone can drop their bottles off to the Bottle Depot in Frank and request to have their refund donated to the Skating Club.

**Upcoming and Important Dates:**

October 28th- Halloween/Dress up night

November 11- Skating cancelled Remembrance Day

November 15th- Coffee order forms due back

November 21st- Bottle Drive

Full month for November bottle donation at the bottle depot

We all hope Skaters have enjoyed the first few weeks we are looking forward to an exciting and fun year with Coach Sue and Coach Kathy.

Please let us know if there are any questions or concerns all contact info can be found on the website Crowsnest Pass Skating Club.

Thank you,
