

Hi Families,

Fri. Oct 2, 2020

Welcome to the Crowsnest Pass Skating Club, our 20/21 season will start this weekend with Seniors skating group hitting the ice at 8 am Sunday morning (October 4), Juniors will be skating at 9:45 and Intermediates are the final group at 10:45 until noon. Please be at the arena only 15 minutes ahead of your scheduled time. Verbal screening is required.

CanSkate and Parent/Tot will be starting on Wednesday, October 7. This is allowing for some extra training for our Program Assistants this upcoming Sunday morning.

Please be sure to ask any questions involving our new COVID-19 procedures outline by Skate Canada as well as the Municipality guidelines. All contact information can be found on our website: www.crowsnestpassskatingclub.com

We are still requiring volunteers for each group to conduct Covid screening, and monitoring. This email will be followed with a sign up sheet on a month by month basis. This will count toward your required volunteer hours for the year!

All waivers must be signed and handed in prior to your child hitting the ice.

This is going to be a learning curve for all of us, please help the club and coaches by having your child ready to skate when you arrive at the arena, please remember Skaters are required by Skate Canada to wear a mask until they are on the ice surface. Face coverings are optional for spectators. Skates can be put on in the

arena. We are also asking for a one parent/guardian spectator until some of the Covid-19 restrictions lift.

A few important dates for October:

October 4 Staring Day

October 7th starting day for CanSkate Parent/Tot

October 11th skating cancelled for Thanksgiving Weekend.

Thank you all for your cooperation and we are looking forward to a very exciting and fun skating season.
